### Our Patent Service Mission

#### And IP Strength Commitment

Our mission is to meet your expectations of service and maximized your invention's intellectual property rights.

**FREE Consultation** – We invite and welcome your contact (with no obligation) to answer questions, get acquainted, or get started.

**Power Patents** – Specializing in rights and protection with power:

**Multiple Layered Rights and Protections** – Benefit from our unique enhanced protection.

**Active and Passive Rights and Protections** – Gain granted rights and rights independent of the USPTO.

**Deterrence and Defense** – Better to deter with power, and accentuate defense with power.

**Power Trademarks** – Specializing in all statutory and non-statutory intellectual property (Trademarks, Copyrights, and other IP).

**Inventor Choice** – Services for all individual and business inventors:

**FULL Service** – Relax, we will prepare, file, and prosecute your patent with tailorable services for maximum rights and protections.

**D I Y Plus** – Do-it-yourself with LOTS of help or D I Y with guidance.

**Affordable Fair Fees** – Uncompromised quality at affordable fair fees.

**FULL Service Gifts** – A FULL Service gift that materially adds to your success:

**Prior Art Search** - FREE U.S. or World patent and patent application abstract search, or

**Add Patent Strength** – Two FREE strengthening and protective independent claims, or

**Invention Website** – FREE initial invention and patent marketing website that you can update any time, or

**Post-Patent Consultation** – FREE insight from Fortune 500 and other IP experience in contacting, negotiating, licensing, sale, and more.

**Referable** – A remarkable experience client can return to and refer.

*Fortress PATENTS / IP* and its affiliates create the patent and intellectual property service firm favored by individual and business inventors. Let us know how can we help you.
